Heart & Soul, a fundraising exhibition featuring the artwork of Tanmaya Bingham, opens on Saturday, Dec. 10, with a reception at 2 p.m. A percentage of proceeds from the sale of the work supports the Heart & Soul Animal Sanctuary, a rescue and adoption service for abused and neglected cats and dogs. Bingham, a skilled draftswoman and painter, creates surreal compositions with elements of fantasy and photorealism. Her animal portraits are visual metaphors for the human condition. Bingham, along with animals from the sanctuary, are present for the reception.
